EXPERIENCE

Self-Employed —Web Developer

2020 - PRESENT

For the same amount of time as a sole proprietor, I have been providing web design services to both individuals and businesses.

EDUCATION

Accra Technical Training Centre, Accra — *CTVET*

January 2021 - July 2024

Offered Computer Hardware Technology and was the Chief Justice of The SRC Concle

Accra Technical Universty, Accra— *BTech*

January 2025 - Present

Offering Computer Science and Majoring in Software Development.

PROJECTS

Digital School Volting — *E-voting system*

When I was in SHS, I developed this software so that my school could vote for our Prefects, and it was successful.

Digital Ticketing — *E-Ticket Platform*

For a pool party event, I made a ticket platform that makes it simple to purchase and verify tickets.
